

# U8 Stingrays

A mixed year from Stingrays this year. Whilst results have not always gone our way we have had a number of strong team performances and scored a good number of goals. We have won a few games this year and I have been particularly pleased with how we have developed as a team and especially with how all of the players have developed, with a number of players making significant progress and beginning to blossom as footballers. Highlights of

this season are Kieran finishing off a well worked team goal to open his account for the team in our first match of the season; Oliver

scoring a belter from outside the box; Sam I and Henry H scoring their first goals for the team in the cup in a day competition; Tomas

pulling off a string of fine saves to ensure we won our last match of the season and Ricky playing a blinder in the sixes. Next season we move to seven a side which is a challenge we can look forward to with optimism.

Well done Stingrays: Sam Ingle, Sam Wetherell, Henry Williams, Oliver Brady, Tomas Thorne, Ricky Rusiki, Nyasha Matava, Henry Howard, Freddy Plunkett, Kieran O'Donnell, Steffan Williams  
Richard
