

# U9 Ospreys

Again this season the Holy Trinity Ospreys have been magnificent. We had some new players join the squad and all of them have fitted in, made some new friends and have been superb to work with. The skills and ability the boys have shown this season has been amazing.

The energy and enthusiasm has increased week on week and the boys have really learnt to play some beautiful football. They have also learnt that team work and having belief in their ability can show results whether the matches are won, lost or drawn.

The priority we have tried to get the boys to adopt is to enjoy themselves and to learn that teamwork will always be useful as a life skill. The Ospreys took part in the under 9s division of the Chiltern Church League. We had some impressive wins and some very close battles that even went to the last kick of the game.

Again the boys have jostled for their positions and it has been interesting to see the boys finding their positions on the field from week to week. Goal keeper one week, striker the next!

The Ospreys performed well in

the Hazlemere 6s with a semi final place and a semi final place in the Cup in a Day competition. Only losing out to a final position by an exciting penalty shootout.

It has been a pleasure to be involved with such a talented, polite, enthusiastic and fabulous squad of boys and we look forward to another exciting season.

The Ospreys are Jude Rouse, Isaac Small, Nik Bhargava, Max Harris, Junior Ndhlovu, Oliver Brown, Alexander Lamb, Joe Wainman, Aiden Faiers, Ben Stevens, Lucas Barnett-Harris & Jake Watson.
